"We have one showroom we use in conjunction with Dimensional Stoneworks, and it is open to the public for selections, but tile purchases are transacted through the contactor, designer or retail stores,"

noted Sheryl Calvin, Inside Sales Specialist.

The showroom, located at 8301 West 125th Street (Suite 110) in Overland Park, Kansas, is open weekdays from 8 a.m. – 5 p.m. and on Saturdays from 9 a.m. – 1 p.m. and is closed on holiday weekends. Boasting a vast selection of exciting samples to choose from, Central States Tile, Inc. prides itself on providing a high-quality selection of higher-end materials that are available and in stock.

"We offer a great collection in our showroom," noted Calvin.

The employees who work at Central States Tile are regarded as some of the best in the industry in terms of expertise, competency, education, loyalty, and they

stand ready to assist clients as needed. All of the specialists at Central States Tile are well-versed in the trade and thoroughly know and understand the tile industry. If you have something in mind with respect to a certain type of tile or stone, they can discuss the pros and cons with you and help you make an educated decision. Additionally, the company has experienced in-house designers who can assist with selections and help clients navigate through the samples, which can be checked out at no charge. They often

educate clients on the unique differences between porcelain tile and natural stone.

Porcelain tiles come in a variety of options to suit any style of room, and with the advent of newer digital print technologies, Central States Tile can create the look of rich wood or rustic stone realistically onto the tile. Additionally, porcelain tile is low-maintenance, resistant to scratches, comes in a wide range of designs and textures and is non-porous.
