

Recognized as a leading showroom distributor of plumbing fixtures and supplies for kitchen remodeling, bathroom remodeling or new construction, Kitchen & Baths by Briggs is a 111-year-old company

service. Kitchens & Baths by Briggs carries a wide variety of high quality sinks, faucets, fixtures and accessories to create and remodel any kitchen or bathroom. They also have a vast collection of lighting to

with beautiful showrooms in Kansas City and Omaha. This respected company is known for its focus on premier luxury products and unparalleled customer

complement any design project.

Lynn Middleton, Showroom Manager, is confident the selections Kitchens & Baths by Briggs has to offer will appeal to every

customer and every project. As the largest decorative plumbing showroom in the Kansas City metro area, there is literally something for everyone's tastes and lifestyle.

"We love what we do and are excited to help our clients realize their dream home," smiled Middleton. "We are a premier kitchen and bath showroom with a focus on our clients' needs and wants. Each project should have a uniqueness that reflects the homeowner's personal style."

Kitchens & Baths by Briggs is open to the general public and invites anyone interested in their home remodeling project to stop by its expansive showroom to discover the endless possibilities that await them. Kitchens & Baths by Briggs offers an extensive collection of quality products from Kohler, Electric Mirror, Waterstone, Watermark, and The Galley Work Station, as well as many others. The company

is also an exclusive dealer for Bain Ultra, Crosswater of London and California Faucets.

"The Galley is perfect for any kitchen," explained Middleton. "It is a great culinary station that provides for prep work, serving, entertaining and clean-up. This kitchen work station is available in up to seven-foot lengths and also in custom sizes. Translation? No need for extra counter space with The Galley Work Station."

Kitchens & Baths by Briggs has an impressive showroom displaying premier products and also has an experienced and educated team. Middleton appreciates that

choosing just the right products for one's home can be overwhelming, but she and her team immediately put clients at ease.

"The selection process can be daunting, but our plumbing designers will make the process seamless," she explained. "We are here to guide people, helping them find not only what they love but also what is functional and practical for their needs. We also work closely with the contractors to make sure everything is properly specified and communicated during the process."

When you visit the Kansas City showroom, you will see firsthand the fixtures, faucets and accessories for your projects.

"Please call and let us turn your vision into reality," said Middleton.

Before coming into the showroom, clients can also view products on the company's website to get ideas and inspiration.

"We are extremely proud of our stellar customer service and enjoy giving individualized attention to each client," said Middleton, whose expert team enjoys working on clients' projects just as much as the clients do.

Kitchens & Baths by Briggs is also highly involved with many professional organizations in Kansas City, including ASID, NARI and HBA. ■
