

Do you know what home improvement gives the highest return on investment? While you may immediately consider the kitchen or the bathroom, it is actually an upscale garage door. Considering that the garage door is the face of your home and a highly integral part of its curb appeal, it is something people immediately notice.

Adding a new garage door is a wise decision to make.

Installing a new garage door to your home is an easy and affordable thing to do, and the experts at Renner Garage Door will be happy to work with you when selecting that new look for your home. Recognized as Kansas City's leader in custom garage

For two years running, replacing a garage door has been indicated as the number one top-rated home improvement project in the United States. According to a report by the 2019 Cost vs Value Study, an upscale garage door replacement can provide homeowners with nearly a 100% return on investment (ROI). Bottom line?

door installation and garage door repair for both residential and commercial customers, Renner Garage Door, along with Delden Manufacturing, has been providing premium quality overhead garage door installation services, electric garage door openers and garage door accessories for more than six decades. Coupled with that experience

is a team of highly skilled technicians who will provide customers with quality craftsmanship, along with the "Delden Difference." This is "the garage door

company that...does." An award-winning business, Renner Garage Door has received notable accolades, including the Best of

Houzz 2019 and 2018 Angie's List Super Service Award.

"We use only premium components in all Delden brand garage doors, from entry level doors to high-end ones," emphasized Brad Dodson, Director of Marketing. "We also distribute multiple brands and can offer more options at a more competitive price. We have the right products at the right price for nearly every application. Plus, we

build our own customized doors in-house and can build each one specific to the door frame. We control the entire process from start to finish."

Growing from within, Renner Garage

Door is pleased to announce the promotion of William "Willy" Dahms to Director of Operations; the promotion of Kelly Meyer to Office Manager; the promotion of Brandon Shepherd to Service Manager; and the promotions of Steve Moritz and Doug Keckler to Sales. Because of their proven track record and dedicated service to the company, these employees will

continue to elevate the company to new heights with its vast selection of garage door product lines for both residential and commercial needs.

Renner Garage Door also works in partnership with local builders providing products and services for various charitable home projects.

"Our doors are featured on the Children's Mercy Home for Little Heroes, and we have also donated materials and labor for the St. Jude Dream Home in both St. Louis and Springfield," noted Dodson. ■
