

Are you ready to discover how you can enjoy a total home makeover in three easy steps? The remodeling experts at Total Home Remodeling will bring their own unique talents and visions to help them better understand their clients so they can effectively (1) *innovate* (2) *ignite* and (3) *indulge* to bring your home remodeling ideas and dreams to exciting fruition.

Call them curious dreamers, remodeling enthusiasts or passionate visionaries. Whatever the label, these folks are unique builders and creators. If you have a space that needs uplifting, this team will definitely

leave it better than they found it. Plus, as an added bonus, they will make it fun and adventurous! There's never a dull moment with this team.

So, how do they do it, you ask? It's simple. They just have an innate knack for creating spaces that bring families together. If it's outdated or simply not a functional space anymore, they enthusiastically roll up their sleeves and dive right in, redesigning each space with inspiration, purpose and functionality. You know...the stuff that of which home remodeling dreams are made. It's not

just about the new bathroom. It's about the space it gives you to enjoy and relax after a long day at work. It's not just about the newly-added theater room; it's about spending quality time with your family watching your favorite movies, making memories along the way.

Are these folks salespeople on overdrive? Absolutely not. They are experienced dream givers, changing lives every step of the way. The only thing you'll feel they poured on you – outside of the amazing spaces they create – is heaping helpings of happiness and excitement.

"We want the experience of the client to be a positive one," emphasized owner Pat Strand. "We want them to know they can trust us to be in their home and that we will do what we say we're going to do."

But, seriously, what's the catch? There's no catch. Total Home Remodeling just knows how to get the job done by raising the bar on effective and purposeful communications with each and every

client. That, and the fact that after the job is successfully completed, you have the express invitation to awaken to an amazingly redesigned home.

So whether you desire interior or exterior remodeling, Total Home Remodeling and its seasoned remodeling teams make sure each home embodies the lifestyle of and fits the needs of the client, creating a unique dance of show-stopping design coupled

with superior functionality. How you use the space it totally up to. Total Home Remodeling simply opens the door to your expectations, keeping it fun, keeping it simple, and always doing the right thing. ■

PRO TIP...

It is important to make sure everything is picked out and agreed upon before the work is begun. Don't rush at the beginning. Slow down and know the scope of the work. When you are not forcing things at the beginning, you can avoid delays and frustrations down the road.
