

Have you been searching for some of the newest, freshest and brightest home remodeling ideas this year? Look no further than to Kitchen & Baths by Briggs. Recognized as a leading wholesale distributor of plumbing fixtures and supplies for kitchen remodeling, bathroom remodeling or new construction, this 113-year-old company (you know they must be

high quality sinks, faucets, fixtures and accessories to create and remodel any kitchen or bathroom. They also have a vast collection of beautiful boutique items to complement any design project, as well as decorative lighting fixtures.

Even though this year has had its share of unexpected events, that doesn't mean your enthusiasm for your next remodeling

doing something right!) boasts some of the best showrooms in its native Omaha and right here in Kansas City.

Known for its focus on premier high-end products and materials, along with unparalleled customer service, Kitchens & Baths by Briggs carries a wide variety of

project has to shut down. Lynn Nelson, Showroom Manager, keeps the excitement going with her in-depth knowledge of the products and services offered by Kitchens & Baths by Briggs. She and the entire Kitchen & Baths by Briggs team invite you to browse the largest decorative plumbing

showroom in the Heartland. (And, yes, this forward-thinking company does everything it can to ensure its clients stay safe by observing all CDC-recommended guidelines during this pandemic. In fact, before coming into the showroom, clients can also view products on the company's web site to get ideas and inspiration.)

Among the high-profile name brands offered by Kitchen & Baths by Briggs include Kohler, Bain Ultra, Hansgrohe, Rohl, The Galley Workstation, BTI Aqua Systems and many other well-known brands. Nelson is equally excited about some of the newer brands taking the stage this year.

"The 4N1 faucet is amazing," she said. "It combines hot/cold, filtered water, and instant hot water on demand through one single faucet spout, removing clutter and the need for multiple faucets. This is a highly-innovative product and is the most advanced tap ever."

Also new by Hansgrohe is the luxurious Rainfinity, an award-winning showerhead

with its unique and silky water delivery, providing an incredibly relaxing and warm experience, making you feel as if you are enrobed in micro drops of water. This will appeal to wellness and design lovers alike, creating an unprecedented shower experience. The new Acor "Edge" has intricate and elegant details deserving of any upscale interior.

Kitchens & Baths by Briggs has enjoyed an excellent reputation for many, many years within the community and is very involved with ASID and HBA in the greater Kansas City metro area. The company's experienced and educated team, which includes four interior designers, is always on hand to help clients through every step of the process.

"We are extremely proud of our stellar customer service, and every one of our employees stays educated on new product lines," emphasized Nelson. "We are a wholesale company with a focus

on working with high-end designers, remodelers and builders. We specialize in 'custom-custom' products for uniquely inspired interiors. We also work closely with

the contractors to ensure all products are properly installed. At Kitchens and Baths by Briggs we strive to pair our clients with the products they love that also give them the functionality they need. We understand navigating a remodel is hard work, and we are here to simplify the process." ■
